

DIMINISHED VALUE

CAROLINA

2019 Toyota Camry SE Diminished Value Case Study

Friday, December 30, 2022.

The 2019 Toyota Camry is a well-rounded family sedan. It offers plenty of fuel efficiency in hybrid form, or you can enjoy the best of both worlds with the regular engines. Not only is this car kinder to the environment, but it's also fun to drive! Solid handling and a cushy ride mean that there's no need to worry about comfort when this car is on the go. Still, performance isn't as good as for more sporty cars like the Honda Accord or Mazda 6. The takeaway? While it doesn't meet every need, it gets quite close—making it an overall impressive choice for families on the go.

The Camry's 2.5L, four-cylinder engine produces a smooth ride and surprisingly responsive handling, as well as excellent fuel economy, returning up to 45 mpg on the highway.

The 2019 Toyota Camry is a great choice if you're looking for something with a bit more class and space than a small sedan, combined with its well-priced base model and modern features.
